Pavement Repairs to I-80 in Joliet Saturday

CHICAGO - The Illinois Department of Transportation will be performing pavement repairs to eastbound Interstate 80 between Houbolt Road and Larkin Avenue (Illinois 7), in Joliet, weather permitting, on Saturday, Sept. 20.

The repairs will require closing the right lane of I-80 from midnight tonight until about 10 a.m. Saturday.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
